391. Repair of the Kallarcode temple.

Mr. M. Narayana Panicker urged that provision should be made in this year's budget for the repair of the Kallarcode temple.

Reply.—Similar works already taken in land are lying unfinished for want of funds, and there is no chance of the proposed work being commenced in the near future.

392. Repair and maintenance of the Thottapally lock and the timely opening of the Kayanculam bar.

Mr. Krishnan Narayanan (*Ampalapuzha*) stated that these works were necessary to prevent the flow of brackish water into the punja lands lying to the north of the Thottappally Chira.

Reply.—As already stated, a special Canal Sub-division has been recenty formed. Attention will be paid to the opening of the Kayanculam and other bars in time and to the proper maintenance of the Thottapally lock.

393. Opening of a sub-registrar's Office at Ampalapuzha.

Mr. Krishnan Narayanan requested that a sub-registrar's office might be newly opened at Ampalapuzha.

Reply.—This will be considered.

394. Appointment of a stamp vendor for the Alleppey Munsiff's Court.

Mr. Krishnan Narayanan represented that the present practice at Alleppey was to obtain the court-fees stamps from the Zillah Court and that, as this was inconvenient, it was desirable to appoint a separate stamp vendor for the Munsiff's court.

Reply.—The District Judge, Alleppey, reports that a separate vendor for the Munsiff's court is not necessary.

395. Placing the Wadai canal under the supervision of the T. I. C., Alleppey.

Mr. K. Chidambara Iyer, B. A., L. T., on behalf of Mr. S. Krishna Iyer B. A., B. L., (T. I. C., Alleppey) suggested that it would be desirable to place the Wadai canal under the supervision of the Alleppey Town Improvement Committee.

Reply.—The work has been sanctioned and is entrusted to the
